Japanese stab binding with four holes

Actual size / 100%. Solid: cut. Dashed: fold. Circles: pierce.

Thread route

Keep the spine on the left and hole 1 at the top. Leave 6 cm of thread on the back at hole 2.

2: Back to front. Wrap the spine and enter 2 from the back again.

1: Travel on the front to 1. Pass to the back. Wrap the spine and then the head,
passing front to back at 1 after each wrap.

2 to 3: On the back go to 2 and pass to the front. Go to 3 and pass to the back.
Wrap the spine at 3 and enter from the front again.

4: On the back go to 4 and pass to the front. Wrap the spine and then the foot,
passing back to front at 4 after each wrap.

Finish: On the front go to 3, pass to the back and travel to the starting tail at 2. Tie there.
