Passenger jet plane

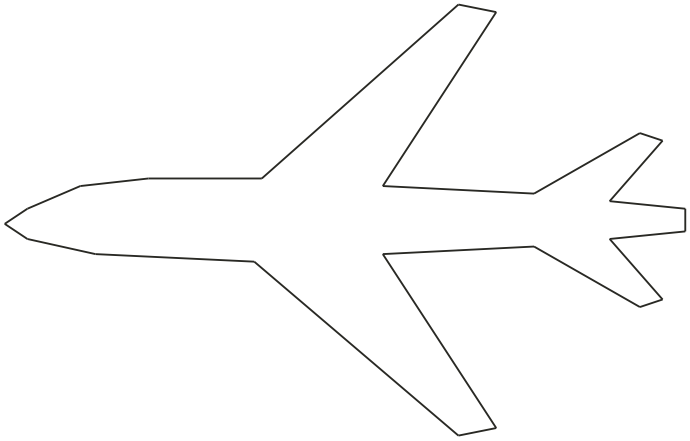

25 mm

1 / 2 Front and back plates

Cut each outside contour. Keep the numbered map below for assembly.

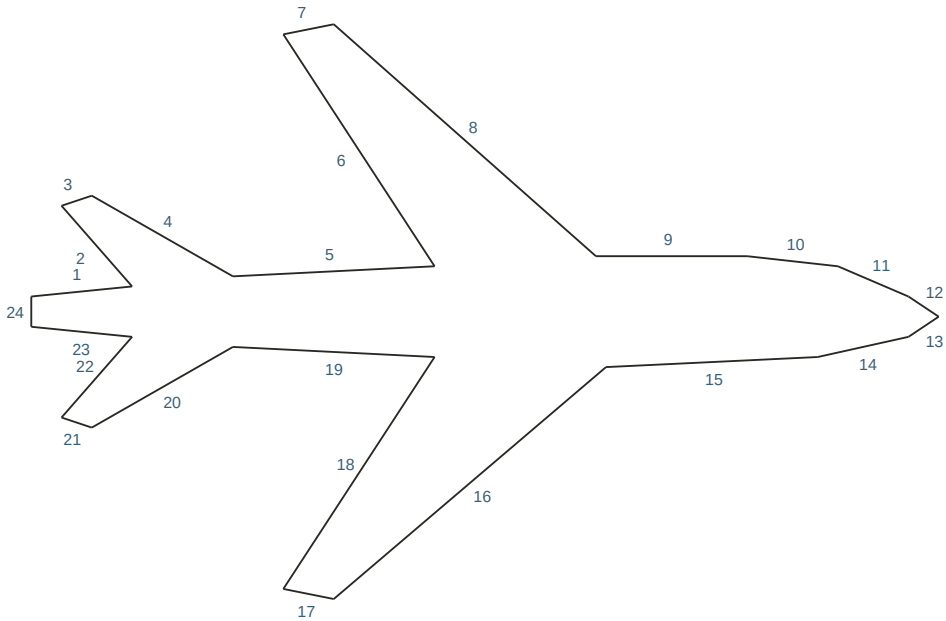

A FRONT

B BACK

Edge map

Plate A, nose right. Use the mirrored plate B map on page 2 for the underside.

Passenger jet plane

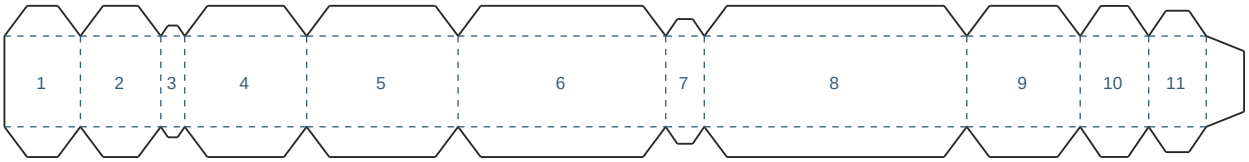

25 mm

2 / 2 Numbered edge strips

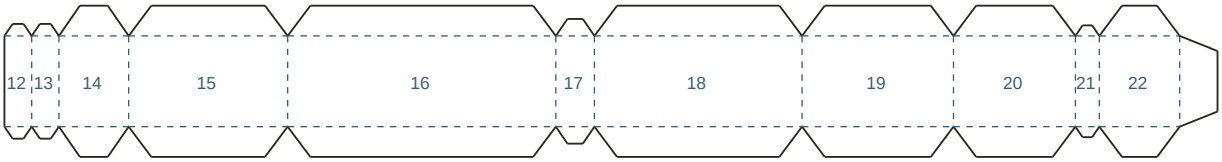

Solid = cut. Dashed = score. Fold both rows of tabs inward.

Join strips in order. Use the end flap of the final strip to close the loop.

Edges 1-11

Edges 12-22

Edges 23-24

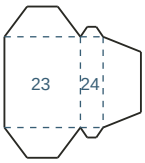

Plate B underside map

Nose left. Match nose panels 12 and 13, wing tips 7 and 17, then the tail at 24.

Keep this numbered outline on the table as a reference. Cut the plain B plate from page 1.
