# Lighthouse

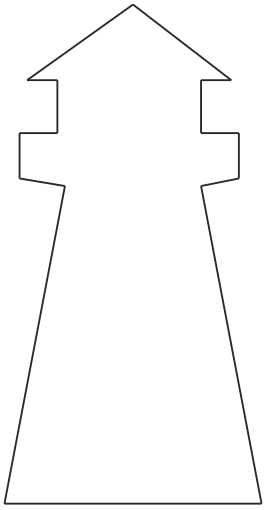

25 mm

1 / 2  Front and back plates

Cut each outside contour. Keep the numbered map below for assembly.

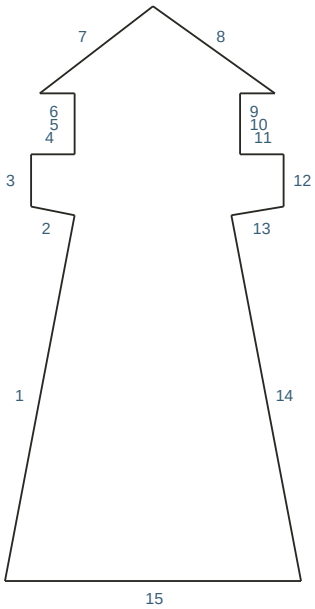

**A  FRONT**

**B  BACK**

## Edge map

Match each strip panel to its number. Mirror this order on plate B.

# Lighthouse

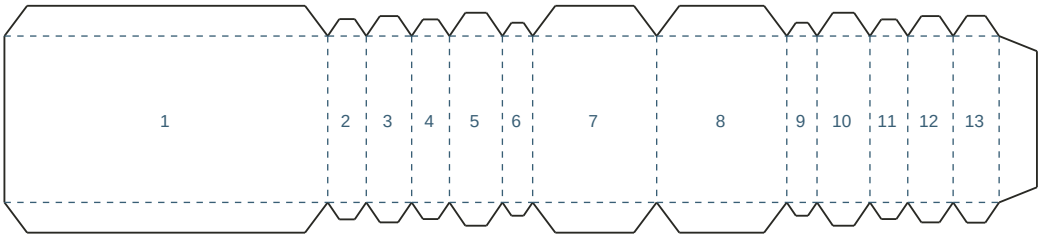

25 mm

2 / 2 Numbered edge strips

Solid = cut. Dashed = score. Fold both rows of tabs inward.

Join strips in order. Use the end flap of the final strip to close the loop.

**Edges 1-13**

**Edges 14-15**
