Actual size / 100%. Solid outlines: cut. Dashed line: gently score. Small circles: ribbon holes.

Face piece

Try the eye spacing on scrap paper first

Cut the strip and both ovals. Hold it level to check the view before cutting cardstock.

64 mm between centres. Each opening measures 32 x 16 mm.

Ribbon reinforcements

Glue one square behind each marked hole, aligning the circles.

Pierce both layers together once dry. Add ribbon after checking the fit.
